

## Fuel Surcharge Program Details & Table

*Coal Unit Train – Percent of Revenue – \$2.50*

**BNSF Rules Book 6100, Item 3382 – Coal Unit Train Fuel Surcharge**

A percent of revenue fuel surcharge is assessed on Coal Unit Train shipments subject to this item, when applicable.

The Coal Unit Train Fuel Surcharge for the current month is based on the [U.S. Average Retail On-Highway Diesel Fuel \(HDF\)](#) from two months prior. For example, the fuel surcharge assessed in July would be based on the monthly average HDF price from May. The Fuel Surcharge table reflects the HDF price and associated fuel surcharge.

Fuel surcharge questions should be forwarded to your BNSF Marketing representative. Updates to the Rules Book will be posted late 2010.
